BLUE AND WHITE

Through the first pages of this annual we have depicted many of the various moods and places on and off our campus. Since the Blue and White is for you, the students of Madera High, we feel that your characters and feelings are the building blocks of the personality of Madera High. We, therefore, dedicate this book to you.

*In friendship,
All thoughts,
All desires,
All expectations,
Are born and shared,
With joy that is
Unacclaimed.*

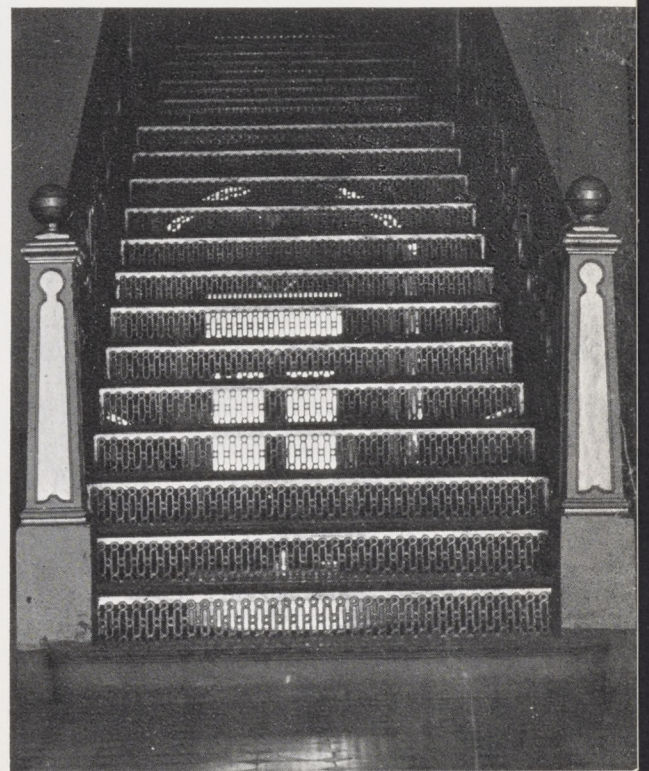

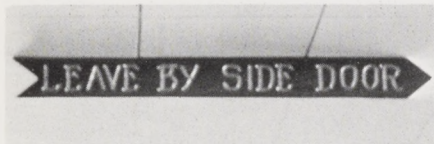

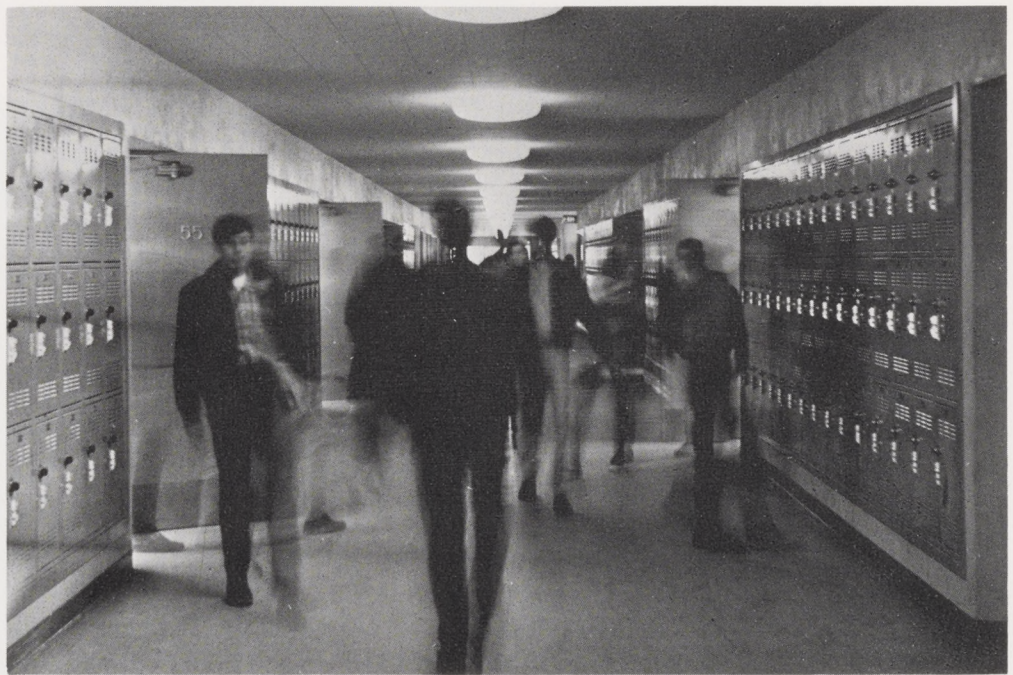

The Prophet

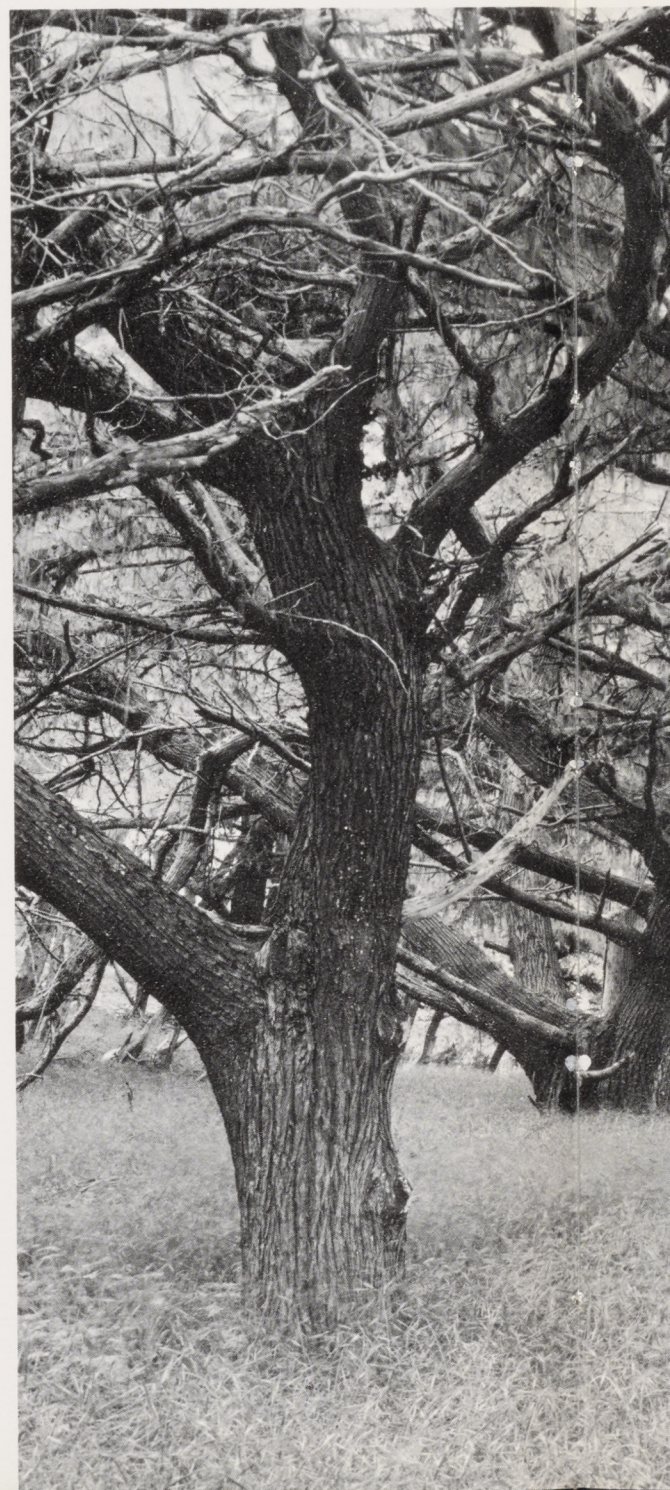

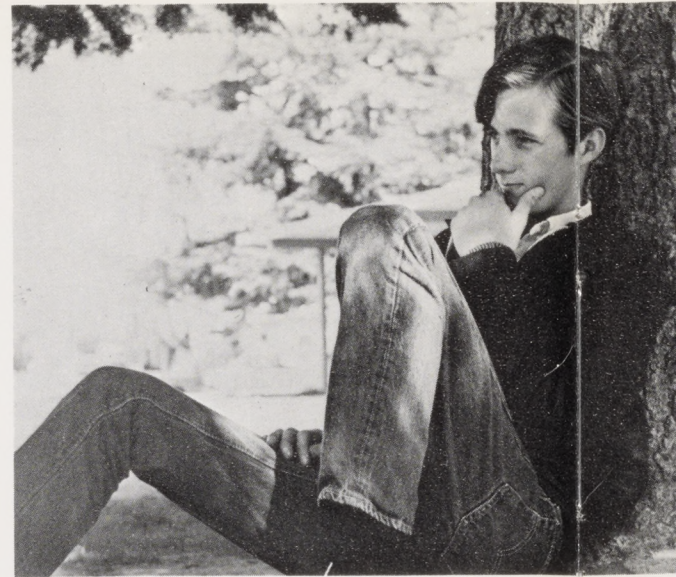

*It rains over everything.
 The drops fall.
 The heavens are grey and cloudy.
 The earth is wet,
 The trees, the grass, everything.
 It rains over everything:
 It rains on me and God.*

Steven Hirahara

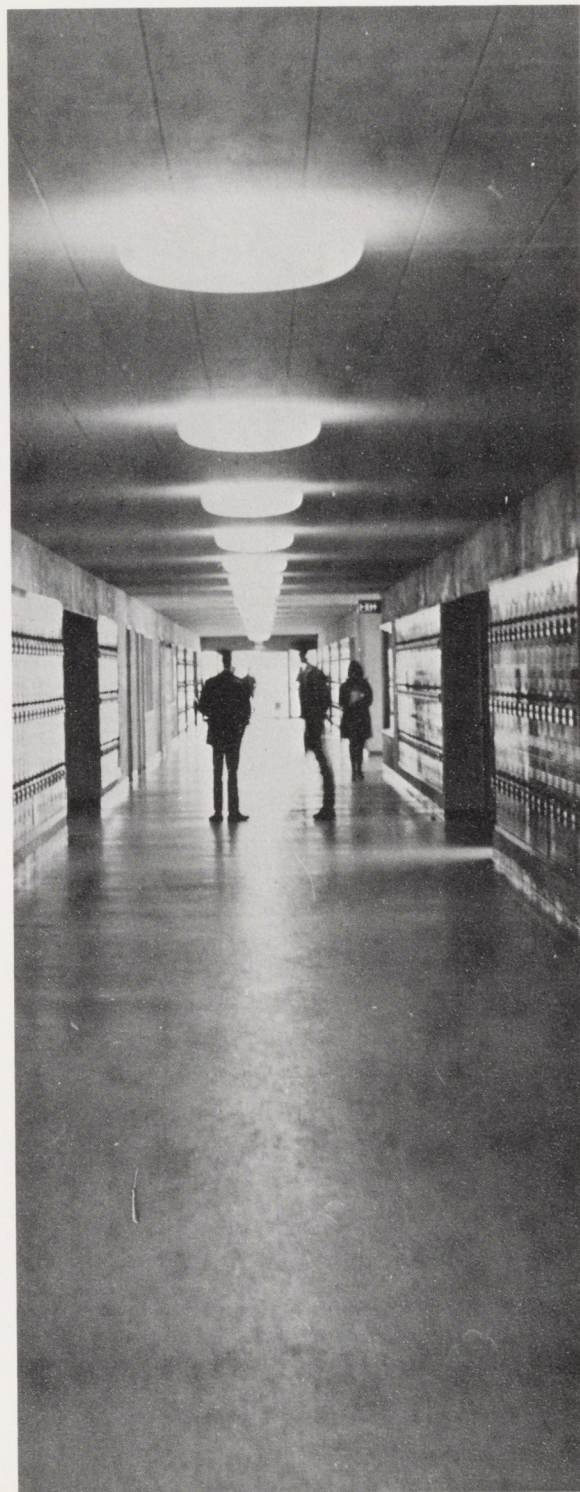

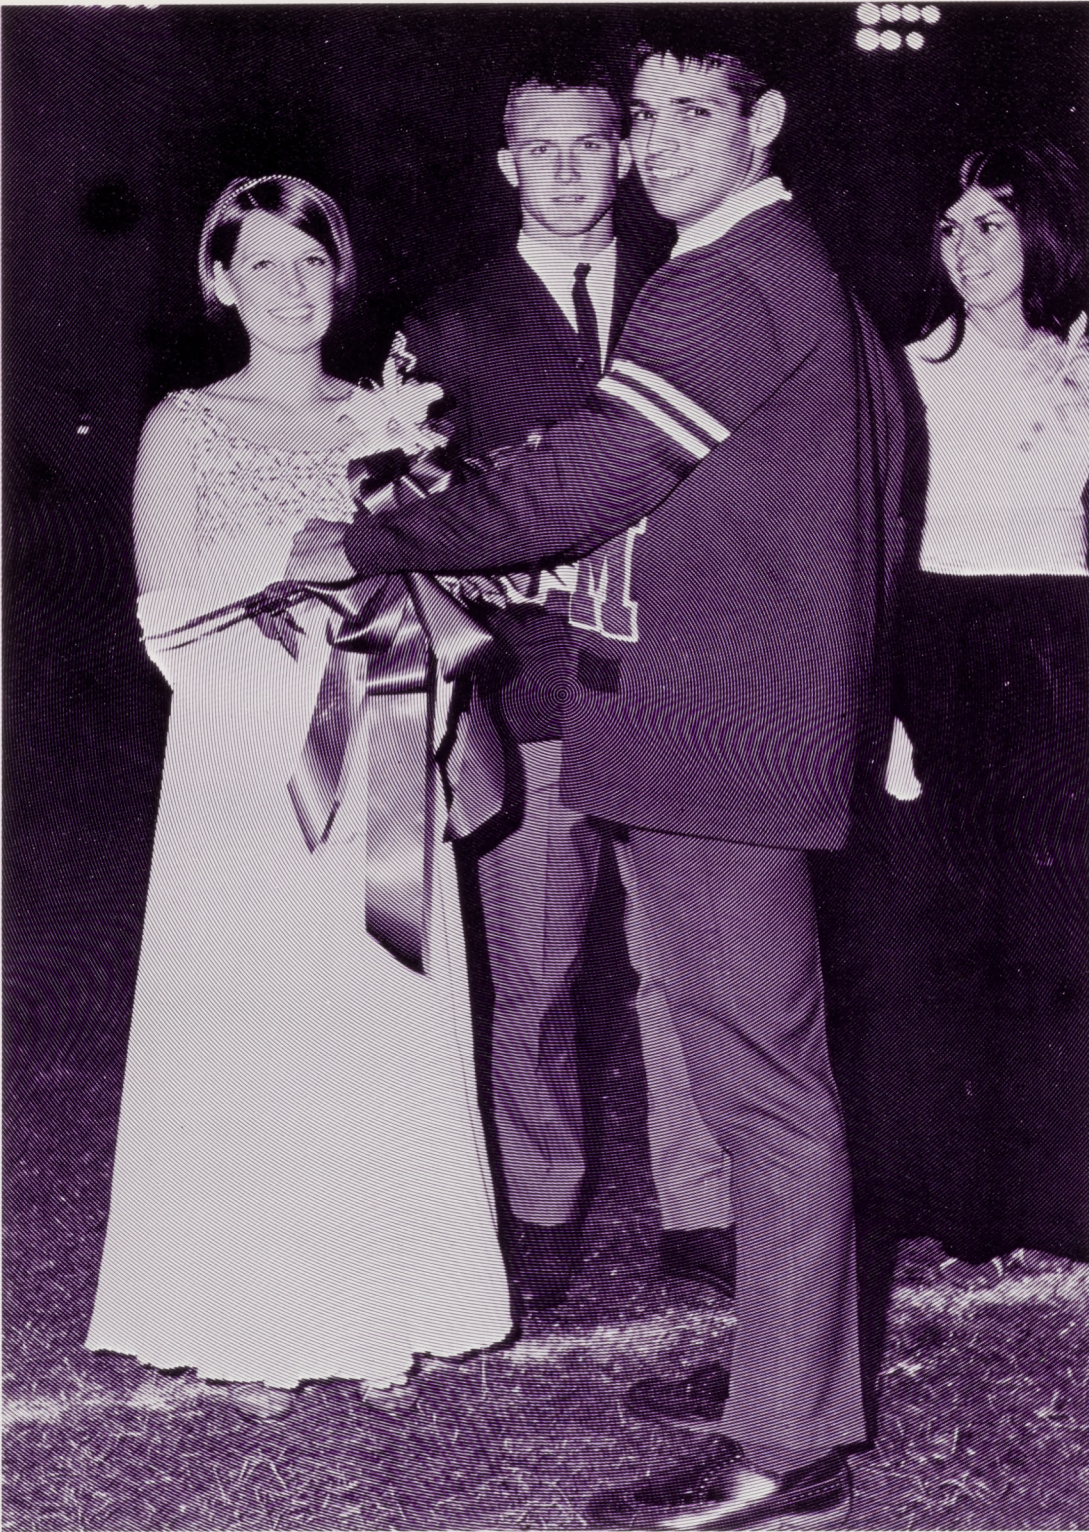

*Alone I walk the peopled city,
Where each seems happy with
his own;
O friends, I ask not for your pity-
I walk alone.*

*Winning is not everything
And it is far better to play
The game squarely than to
Win at the sacrifice of an
Ideal.*

"Garden Grandeur," presented by the Class of 1969 proved to be the best Prom ever. For many months previous to the event the Junior class labored on decorations and various other effects. Huge brightly adorned 12 foot flowers covered the walls and an oversized ladybug served as a refreshment table. Also a mechanical butterfly with a wing span of 6 feet hung from the ceiling. With music provided by The Showmen, May 10, 1968 proved to be a night to remember.

Large silver gates greeted guests arriving at Zenith Horizon's Christmas Ball, "Heavenly Christmas." The girls worked extremely hard to make the dance a success. In the center of the floor stood a pink Christmas tree and the walls were decorated with angels. Couples danced to the music of Penny Candy.

President Alice Venturi, Jeanne Spencer, and Buddy Wilburn prepare some decorations for the dance.

"Japanese Tea Garden" was the theme of this year's Frosh-Soph Reception, put on by the class of 1971. They carried the theme out by hanging Japanese lanterns and by decorating the bandstand with a massive recreation of a Buddha. The evening proved to be a success enjoyed by all who attended.

"Being Student Body President has to be the most enlightening experience I have had at Madera High. At times, things seemed hopeless but all the worry, doubts, and fears were somehow overcome with success and gave me great satisfaction. The challenge of the office has motivated me to perform to the optimum."

"The office itself and its achievements may be small and insignificant, yet for me they were personally satisfying and meaningful. I hope that I have endeared myself to the school and its student body through this office."

Steven J. Hirahara

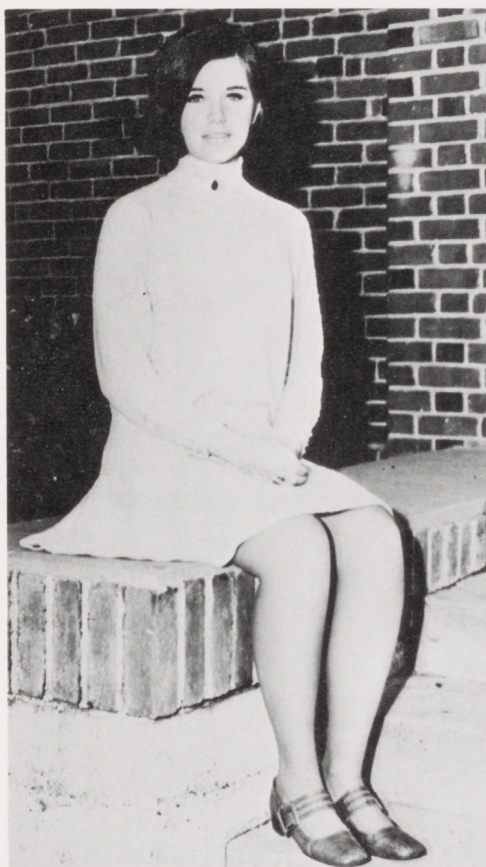

Spring President
Albert Smith

"I ran for the office of Student Body President because I felt that there were so many things that should be and could be done in the coming semester. I want to continue work on programs already started and work toward expanding the influence of student government while attempting to provide the opportunity for more students to participate."

"I believe that the student body and student government have to unite and work together to accomplish the work they want done because as it stands now they show opposing forces."

NYL *Vice-President*

Steve Hirahara

The office of Northern Yosemite League Student Council Vice President is an especially awesome challenge. You're working for and representing eight of the largest schools in Central California, the schools comprising the NYL.

The executive council began its effort last spring and continued through last summer. Last fall we began our term with an introductory picnic at Hoover which has served to facilitate the cooperation and better understanding among the league schools. It has launched itself into projects regarding its history, class curriculum, and drug education.

NYL gives a person a chance to develop inter-school relations, while fostering better intra-school relations through understanding and awareness of school problems.

Steve Hirahara

Boys' State

Steve Loquaci

Boy's State Week was one of my most memorable experiences during my high school career. At Boy's State I learned a great deal about the way government operates. I think my greatest reward was gaining the respect and friendship of the members of Boy's State. A total of 850 boys from throughout California attended Boy's State at Sacramento and every participant gained some satisfaction for his involvement in the activities during the week.

The Teen-Age Voice Staff was responsible for the writing of material about Madera High activities, students, and student opinions. Every two weeks during the spring semester the Teen-Age Voice page was published in the Madera News Tribune.

This gave the students of Madera High the opportunity to express their views and ideas to the community. It gave the community a chance to know what the students were thinking and doing.

A Cappella

Every year during the Christmas season, the members of the A Cappella Choir are busy performing for various community organizations. This year was no exception. The Choir sang for the Women's Home Improvement Club, Thomas Jefferson, Duncan & Scheid, Penny's, the Sunshine School, two Football Banquets, Exchange Club, Rotary, and Westgate and Madera Convalescent Homes.

This year the A Cappella Choir also appeared on television for a special Christmas program.

Other performances during the year included the Madera Festival, Senior Reception, Baccalaureate, and Graduation.

Sheron Bettencourt, Madera High's AFS student to Bogota, Colombia.

AFS International Dinner (left to right): Reindun Forde, Norway; Laura Andrade, Ecuador; Mr. Gary Adams, advisor; Sheron Bettencourt; Mr. Ken Gill, President of Madera Chapter of AFS.

To MDS —

Only since my return to Madera High in January have I realized the full impact that my year in Colombia has had on me.

It was hard to leave, but just as saying good-bye is sometimes difficult it is often just as hard to come back and start over again. I found all of you changed as I am sure you found the changes in me. I can say, however, that I feel that the changes were worthwhile and a vital part in the passing of a year.

I'm sure that I will never forget the people that I met, the things that I saw and the feelings that I experienced during my stay in South America through AFS. I thank all of you who gave me the opportunity to go and to see it for myself. I can only hope that all of you will one day have the same good fortune. Believe me you'll never regret it.

Good luck to all of you,
Sheron Bettencourt

Colegio Americana, the school which Sheron attended, heard its very first yells from Sheron's newly organized cheer squad. They were heard and seen at basketball, soccer, and volleyball games.

Mexican - American Club

The Mexican-American Club is a new organization on campus this year. The purpose of the club is to develop a better self image of the non-participating student on campus. Through experience in this club, it is hoped that the student will gain the desire to participate in other campus activities.

One of the club's projects during the year was to work on a proposal to utilize a teacher from each field of teaching and students with a 'B' average or better as tutors.

This year's officers were, president: Ruben Medina, vice president: Mauricio Longoria, secretary: Margarita Ruiz, treasurer: Raymond Cruz, sergeant: Tim Del Toro.

Advisor: Mr. Vargus

Coach Adams

Madera's 1968 football team seemed to most a failure, but to those who measure success by the true meaning of the word, it was a successful year. The Coyotes started the season with a group of anxious seniors, and inexperienced juniors. After two weeks of hard practice under Head Coach Bob Warner the Coyotes took on Redwood High School in a scrimmage. Despite several mistakes, Madera rolled by the Visalia team, and looked forward to their first game with formidable Dos Palos, rated No. 1 in the valley. With tough running arl Austin to carry the mail, the Broncos penetrated the Madera defense to score six touchdowns, while the Coy-

otes hampered by fumbles and interceptions, went scoreless. Standouts of the game were Dan Johnson, Steve Imrie, and Al Smith. Final score: 37 to 0.

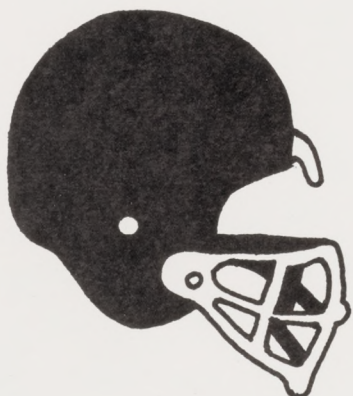

Although Friday's game was rough, Monday's practice was even tougher. The team worked hard toward their game with Taft. With only the partial service of injured Steve Imrie, the Coyotes played a hard, close game, highlighted by a 60-yard pass-run by David Rubio. With the score, Taft 26, Madera 20, the Coyotes drove toward the goal line, but fumbled on the 5-yard mark and thus the game ended.

The next week Madera played the Tigers of Edison High School. Trailing by 14 points, the Coy-

otes came alive the second half opening wide holes, and driving the ball down the field to score twice. The fabulous play of the game was a reverse pass from Steve Loquaci to Paul Williams who scored twice. A fumble on a late fourth quarter drive ended the game in favor of Edison 26-20. Steve Imrie played a great game, also.

Against their county rival, Chowchilla, Madera played good, hard football, and ended up scalping the Redskins 34 to 13. The defense was sparked by an interception by Al Smith, and the hard hitting of Joe Pettit and Steve Loquaci. A strong aerial attack, with passes from Paul Williams to Mark Williams and Rod Earls, moved the ball for the Coyotes. The game proved costly in that Madera lost guard Steve Loquaci when he broke his arm in the second quarter.

Madera's first road game was with the league leading Fresno High Warriors. The Coyotes were overpowered by a quicker offense and a stronger defense, but the underdog Coyotes never gave up, playing hard until the gun sounded.

It was a question of speed and referees in the tilt between Madera and the Hoover Patriots. Several "misjudged" penalties were called

against Madera and a Coyote touchdown was called back as well. This broke the Coyotes' morale, leaving the game wide open for Hoover, who won 20 to 9. Outstanding players were Payne, Williams, Valenzuela, Smith, Jacobs, and Earls.

It was a luckless night for Madera on their home-grounds, as the Scots of McLane outscored them 64 to 13. McLane, led by Dave Wiggins, played their finest game against the Coyotes, and it showed. Bruce Deaver and Steve Imrie scored Madera's only two touchdowns. Stand-outs were Johnson, Rubio, Imrie, Deaver, and Roger Williams.

Madera's Homecoming was spoiled by a Clovis comeback in the final quarter of the game. The Coyotes led 25-7 entering the fourth quarter. It was a hard-hitting, highly spirited, and tough to lose game for the Coyotes.

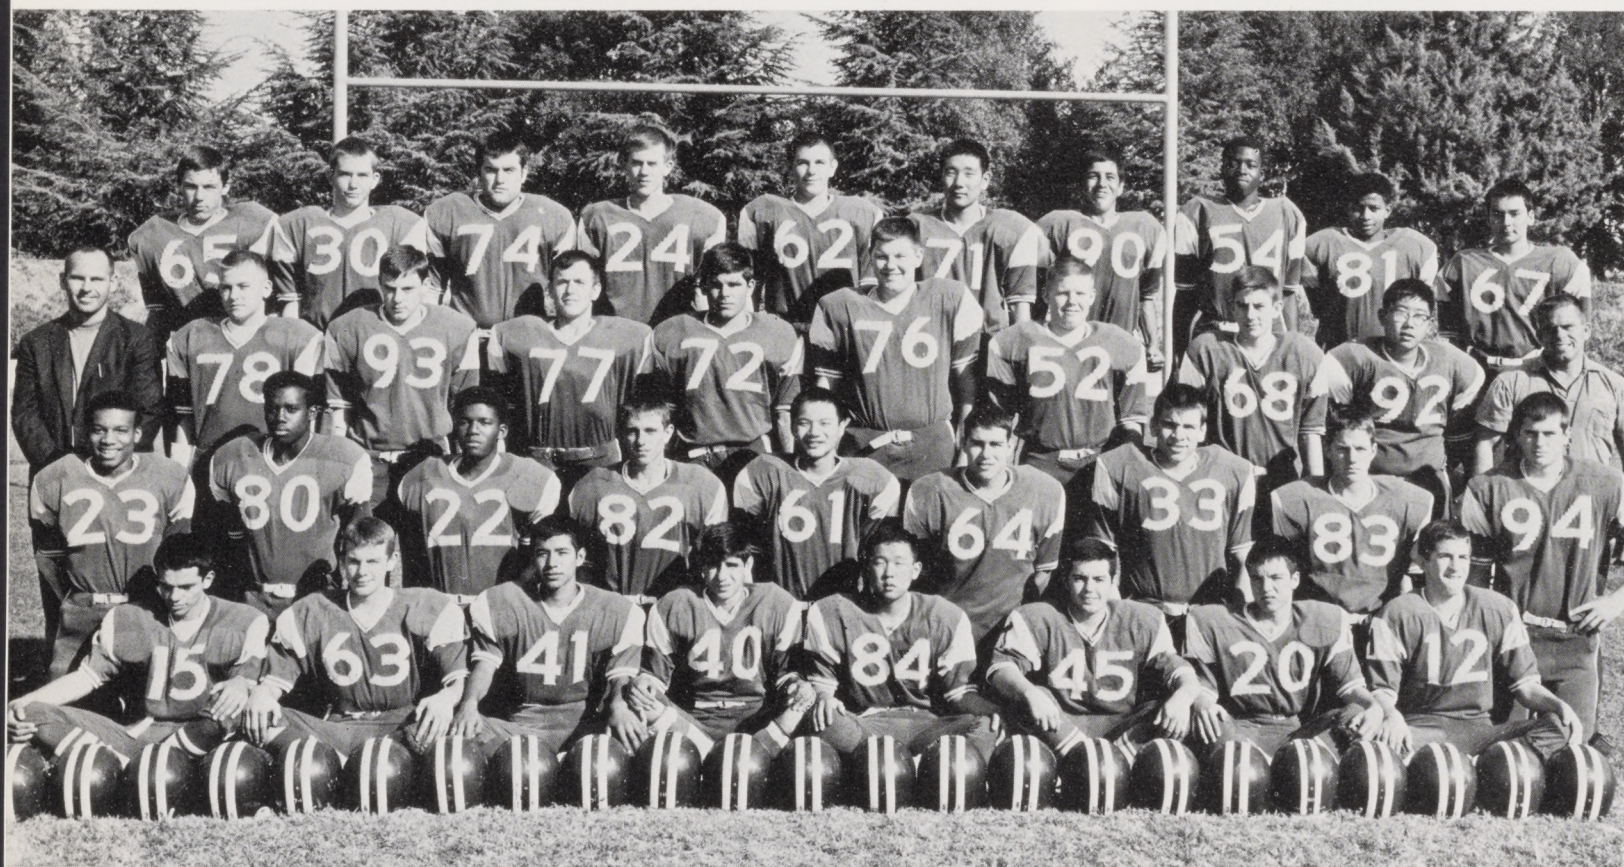

The Bullard-Madera game was a tragedy. The field was wet and muddy, but the game went on, in Bullard's favor. Madera fought hard, and showed a strong first half. Stalwarts were, Dan De Silva, Larry Southall, and Mark Williams.

Hampered by a poor running and punting game, Madera dropped their final game of the season to Roosevelt.

Mark Williams, 81, waits for a floater from cousin Paul.

"The 1968-69 Varsity Basketball team enjoyed a fine season, while taking third place in the tough North Yosemite League. The team worked for balance on offense and hustled well on defense. Clarence Allen led the team in most statistics, scoring 337 points while shooting 46% from the floor, and grabbing 296 rebounds. Clarence was named to the first five of the All NYL team. Naaman Haynes scored and rebounded well and was named Honorable Mention NYL, as was Teo Gamboa. Teo proved to be the best free throw shooter with a 58% average. The team worked hard and developed considerable pride."

"The 1968-69 Wrestling Team is one of the finest teams I have had the privilege of coaching. This team compiled a record of 64 wins and 5 losses. It placed second twice and won the NYL Championship twice in four years. This season, its best since 1964, Madera won the Valley Championship.

The dedication and sacrifice this group of boys have made has been tremendous. These boys, since their freshman year, have been willing to accept the fact that hard work was necessary for them to accomplish their goal.

The great success that these boys have shared this season will certainly be measured in years to come. I have no doubt that these young men possess the quality necessary for successful and useful lives in the future. Good Luck Men."

*So long as we love,
We serve,
So long as we are
Loved by others
I would almost say
We are indispensable.
And no man is useless
While he has a friend.*

Robert Louis Stevenson

We wish to express our thanks to all those who helped us reach our goal: Mr. Ralph Howell for all his time and needed help; Mr. Pat O'Rourke; Mr. Alan Brown; all of the merchants who supported the Blue and White; a very special thanks to Mr. Gene Griffith, advisor; and to our staff, without whom this annual would not have been possible.

Thank you to everyone,
Shelley and Patti
